# DIADEMA DAMARE RED

Indicazione Geografica Tipica  
Toscana

"...notes of cherries and violets..."

"Beautiful ruby red, luminous and soft at the rim. Clean and linear notes of cherries and violets, enriched by herbaceous tones and clear balsamic and chocolaty accents. Structured and tannic palate, gently supported by permeating freshness. Lengthy finish with clarity of fruit and balsamic returns."

Blend of Syrah, Cabernet Sauvignon, Merlot and Petit Verdot grapes. D'AMARE Rosso is a fine example of a classic IGT Tuscan wine, with a distinctive, well-defined character. Its rich, ruby red hue is immediately striking, and the nose releases a complex array of fruit, including sourcherry, wild red berry fruit, and dried plum, enriched by smooth impressions of spice and herbs. A dense-packed suite of tannins contributes to a velvety mouth feel. D'AMARE Rosso was aged for 14 months in French oak barriques.

<b>APPELLATION:</b>	IGT TOSCANA
