

DIADEMA ROSSO

Indicazione Geografica Tipica
Toscana

“Diadema Rosso, powerful and silky, soul and essence of Tuscany”

DIADEMA Rosso is an exceptional Tuscan red wine, made from a rigorous selection of Sangiovese, Merlot and Petit Verdot grapes. The wine's colour is a deep ruby red with a hint of violet. The nose shows a rich and aromatic medley of spices and fruit. Wild red berries, underbrush, smooth spices, chocolate, roasted coffee and cinchona. The tannins are massive but elegant, fully integrated into a well balanced, generous structure. During the long finish mineral notes give again a great freshness.

Diadema Rosso was matured in small French oak barrels for 16 months plus another 6 months in the bottle. To show up with its best from the delicious nose till that smooth and long finish the wine should be decanted one hour before serving.

“Deep and intense ruby red. Offers a round and seductive range of scents, prevalent in fruit and balsamic tones with accents of roots and bark. Full and weighty palate with austere tannins and a decisive alcohol content struggling to maintain balance. A nice edge of acid with reoccurring fruit and balsamic notes on the finish.”

APPELLATION:	IGT TOSCANA ROSSO
